Our enclosure systems are universal to any trampolines as long as your trampoline has either 4 legs or 6 legs. Please do note that you would need to measure your trampoline to purchase the accurate enclosure system. If you are unsure, please call us to verify your trampoline size.

JUMPKING

JUMPKING TRAMPOLINE FLAT STEP LADDER

ACC-LADFS

- Ladder expands from 38 inches to 45 inches to fit most trampolines.
- High quality, sturdy construction
- Flat Steps
- Easy Assembly

JUMPKING ANCHOR KIT

ACC-AK

Kit includes 4 Anchors and Tie downs. Keeping your trampoline tied down is a great way to ensure years of use. Recommended for any area that may experience occasional high-speed wind.

BOUNCE BOARDS

BB-BLUE/CAMO/RED

The Original Tramp Board. The Bounceboard® tramp board is constructed with closed cell foam which is strong and flexible with great shock absorption. The only trampoline board that won't rip the surface of trampolines and it's super-lightweight and buoyant. Simply wear socks, velcro your feet into the footbeds and start jumping. Bounceboard® flexes with the trampoline but will return to it's original shape.

This is an exciting new sporting accessory for trampolines, water trampolines, and other jumping devices like inflatables. Catch Air! and Get Warped! Designed for kids 8-18 years old, but older "children" will love Bounceboard® too. Waterproof Adjustable Foot Straps with heavy duty Hook & Loop Closure.

JUMPKING SHOE BAG WITH 2 POCKETS

ACC-SB2P

Shoe Bag hangs over the outside of your frame between two legs. Great way to keep shoes out of the way so no child will trip over while entering and exiting from the trampoline.

HWSPT-Spring Pulling Tool

BASKETBALL HOOP

JUMPKING

- Fit most enclosure pole types - straight pole, curved pole or arch style
- U-bolt bracket mount to the pole
- Solid back panel
- Includes a 6" basketball
