

Care and Feeding of your Bazoongi Kids Slumber Bag

1. We suggest you always open your Bazoongi Kids Slumber Bag for airing after use. And do not store your bag if it is damp or spoiled.
2. We recommend machine washing using a rotary drum machine. Use cold water with liquid soap or mild detergent. Tumble dry on low heat is best. Dry completely before storing.
3. Do not use bleach. Do not dry clean.

Please contact us anytime at bazoongi.com

WARNING

This Slumber Bag complies with industry flammability standard CPAI-75.

The fabric and insulation are NOT flame resistant and may burn. Keep slumber bag away from open flame and heat sources.
